

ONE STONE

ROSÉ OF PINOT NOIR

CENTRAL COAST

OUR STORY

Introducing One Stone—a special line of wines from the Ancient Peaks family. One Stone is a tribute to all of the women who move mountains, one stone at a time. A portion of each bottle sold is donated to Dream Big Darling, a nonprofit that provides mentorship programs for the next generation of leaders in the wine and spirits industry.

OUR VINEYARDS

The 2021 Rosé is composed of Pinot Noir from our family vineyard in Paso Robles and select sites on California's Central Coast. Here, the Pinot Noir grape thrives amid a marine-influenced climate shaped by the nearby Pacific Ocean. Sunny summer afternoons yield to cooling evening breezes, allowing the fruit to achieve full ripeness while retaining its delicate varietal nuances. These are perfect conditions for producing an elegantly styled dry rosé of Pinot Noir.

GIVING BACK

A portion from every bottle sold is donated to Dream Big Darling, which provides educational opportunities and mentorship programs for the next generation of female leaders in the wine and spirits industry. Dream Big Darling was founded by Amanda Wittstrom Higgins. DREAMBIGDARLING.ORG

V. 2021 NOTES

WINEMAKING

After harvesting, the fruit was gently destemmed and lightly pressed to capture a brilliant rosé hue. The wine was cold fermented at 55 degrees over a period of 16 days. After fermentation, the wine was racked off the lees and cold aged in stainless steel for four months prior to bottling, ensuring a full retention of crisp acidity and bright fruit flavors.

AGING REGIMEN: 4 months in stainless steel - **ALC:** 13.5%

TASTING NOTES

The 2021 Rosé presents summery aromas of lime and peach with a burst of tropical guava. A clean, crisp texture enlivens the palate with flavors of watermelon, pineapple and pink grapefruit. Zippy acidity lands perfectly on a luscious, refreshing finish.

FOOD PAIRING

The 2021 Rosé is ideal for seasonal spring and summer enjoyment. Recommended pairings include fish tacos, wood-fired chicken flatbread, Caesar salad and classic picnic fare.
