QUOTES

"Fresh Character from **ocean breezes** propels **well-priced standouts** from the Central Coast."
Kim Marcus, Wine Spectator

"... Many of its vines grow in deep beds of **giant fossilized oysters**. Today, the winery produces a bevy of **keenly priced, high-quality wines** that deserve to be better known."
William Kelley, Vinous

"The **price-to-flavor ratio on this bottling is astounding**, as this blend of 55% Syrah, 27% Zinfandel, 13% Petite Sirah and 5% Petite Verdot offers all that **Paso power at half the price**."
Matt Kettman, Wine Enthusiast

"At Ancient Peaks Winery, a **family-owned** operation with a **single estate vineyard**, the perfect location has given way to some of the best wines coming out of Paso Robles."
The Tasting Panel Magazine

"One of Paso Robles' **coolest spots**...The Pacific Ocean lies just 14 miles beyond... Margarita Vineyard includes blocks of vines on virtually bare shale... Oyster Ridge is perhaps the **most dramatically calcareous** chunk of earth in the entire state."
Wine & Spirits Magazine
