AP CABERNET SAUVIGNON EXPLAINER

Ancient Peaks has been a Cabernet Sauvignon specialist dating back to the winery's inaugural 2005 vintage. Since that time, Paso Robles has become renowned as a world-class region for this iconic Bordeaux variety—and Ancient Peaks has been right in the mix. Our success with Cabernet Sauvignon stems from the favorable terroir of our estate Margarita Vineyard, where uniquely complex soils and an ultra-long growing season have proven to be ideal. Our family of Cabernet Sauvignons includes the following wines:

Ancient Peaks Estate Cabernet Sauvignon | \$25 | Quintessential Cabernet

The Cabernet Sauvignon that started it all for Ancient Peaks. This foundational wine is our most widely distributed Cabernet Sauvignon, renowned for offering high quality and widespread acclaim at an approachable price. Sourced from numerous blocks and soil types at our estate Margarita Vineyard, this wine offers consistency, complexity and sense of place.

Ancient Peaks Pearl Cabernet Sauvignon | \$72 | Ultimate Cabernet

Pearl Cabernet Sauvignon is crafted as the premier expression of Cabernet Sauvignon from our estate Margarita Vineyard. Hailing from specially cultivated blocks and aged in 100-percent new French oak barrels, this wine showcases Paso Robles as a world-class region for Cabernet Sauvignon while expressing Margarita Vineyard's singular sense of terroir. An age-worthy showstopper.

Oyster Ridge | \$60 | Cabernet-Based Cuvée

Oyster Ridge is our flagship Bordeaux-style cuvée. Driven by Cabernet Sauvignon and blended with other classic Bordeaux varieties, Oyster Ridge is inspired by the ancient sea bed soils found in many of the blocks at Margarita Vineyard. This reserve wine has been a fixture in the Ancient Peaks portfolio since the 2006 vintage, and it is crafted to reflect our finest winemaking efforts. Oyster Ridge exhibits a sense of nuance and elegance that comes from careful blending, all while displaying ample depth and staying power.

One Stone Cabernet Sauvignon | \$20 | Regional Cabernet

A perennial "best buy" from our One Stone family of wines, sourced from select vineyards in Paso Robles. In contrast to the Ancient Peaks Cabernets that come exclusively from our estate Margarita Vineyard, One Stone Cabernet Sauvignon represents a regional expression of Paso Robles. A portion of each bottle sold supports Dream Big Darling, a nonprofit dedicated to mentoring the next generation of women leaders in the wine and spirits industry. The award-winning One Stone labels feature original paintings by local artist Audrey Jackson.
