## CABERNET SAUVIGNON

### OUR STORY

Introducing One Stone Cabernet Sauvignon, a specialty offering from the Ancient Peaks family. In a short time, One Stone has emerged as a unique force in the world of Cabernet Sauvignon, earning widespread acclaim as a perennial best buy.

One Stone is a tribute to all of the women who move mountains, one stone at a time. A portion of each bottle sold is donated to Dream Big Darling, a nonprofit that provides mentorship programs for the next generation of leaders in the wine and spirits industry.

### OUR VINEYARDS

The grapes for the 2021 vintage were sourced from our family vineyard and select sites in the Paso Robles AVA on California's Central Coast. Here, diurnal temperature swings, diverse soils and a long growing season all combine to produce rich flavors with structure and elegance. In recent years, Paso Robles has emerged as the next great region for world-class Cabernet Sauvignon, illustrating how local growing conditions are perfect for this preeminent Bordeaux variety.

### WINEMAKING

After harvesting, the fruit was gently destemmed and cold soaked for a measured extraction of color and flavor. At the conclusion of fermentation, the wine was raked to a combination of French and American oak barrels (15% new oak), where it aged for 15 months prior to blending and bottling. Small lots of Malbec and Syrah were included in the final blend for enhanced depth and fruit dimension, while a complement of Merlot brought added silkiness to the mouthfeel.

### TASTING NOTES

The 2021 One Stone Cabernet is loaded with complex aromas of plum, black olive, caramel, graphite and earthy loam. The palate is sumptuous and integrated, offering generous flavors of black cherry, cassis, cranberry, fig, anise and espresso. Velvety textures and flashy tannins complete the experience of this fully expressed Cabernet Sauvignon.
